NOTICE

TAKE NOTICE that, by Order in Council No. 41, approved January 9, 1962, as amended by Order in Council No. 1269, approved May 10, 1962, made in accordance with the provisions of the *Land Act*, rights-of-way over certain Crown lands were granted to Western Pacific Products & Crude Oil Pipelines Ltd. and Westcoast Transmission Company Limited (hereinafter called the "Companies") for the purpose of constructing and operating pipe-lines, which lands are more particularly described as the Crown lands shown outlined in red on Plans O-WD-4000-7 R7, O-WD-4050-7 R6, O-WD-4100-3 R3, O-WD-4100-4 R7, O-WD-4100-5 R6, O-WD-4100-6 R6, O-WD-4150-1 R6, O-WD-4200-1 R7, O-WD-4200-6 R3, O-WD-4300-2 R4, O-WD-4300-3 R4, O-WD-4350-2 R5, O-WD-4400-4 R6, O-WD-4450-7 R4, O-WD-4450-8 R5, and O-AB-4250-1 R5 on file in the Department of Lands, Forests, and Water Resources and in the Land Registry Office at Kamloops, B.C.:

That the Companies have submitted it would be expedient and in the interest of all concerned if the titles conferred by the grant could be registered under the provisions of the *Land Registry Act*:

That the *Land Registry Act* permits registration of these estates only where the title of Her Majesty appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates as enacted by section 258 (2) of the *Land Registry Act*:

That the grant has been issued on the basis that when and as soon as the Companies shall have laid the initial pipe in the exercise of the authority granted to them by the said Order in Council the

rights, licences, liberties, privileges, and rights-of-way granted by the said Order in Council shall thereupon and thereafter be confined and restricted as provided in the said Order in Council:

And, therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the *Land Registry Act* and all other powers thereunto enabling, the following regulations be made:—

1. A grant of the right-of-way in favour of the Companies shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the lands described in the grant in the register and, upon application being made for the registration of the title of the Companies to the right-of-way and upon compliance with the provisions of the *Land Registry Act* and of these regulations in so far as they are applicable, shall register the title by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the grant and in the register shall be subject to amendment to conform with the boundaries as defined by the final plan, as under Regulation 3, and in accordance with the procedure prescribed under Regulation 4.

2. When and as soon as the Companies have laid the initial pipe, the right-of-way shall be reduced in width as provided in the said Order in Council.

3. Within eighteen months after the completion of the construction by the Companies of the initial pipe, a final plan of the right-of-way shall be prepared by the Companies in accordance with the regulations which the Surveyor-General has issued or may issue, and copies of such plan shall be deposited with the Surveyor-General as he may require. The Surveyor-General shall, after approval, transmit the necessary approved copies of the plan to the proper Land Registry Office for deposit.

4. When the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows Her Majesty's title to the land comprising the right-of-way and the title of the Companies by striking out the description of the lands therein and substituting therefor the description of the lands according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way and shall relate back to and have the same force and effect as if that description were contained in the original grant of the right-of-way and registered in the register.

L. R. PETERSON,
Acting Attorney-General.

SEALED TENDERS, marked "Tender for Project No. 1291—N.T.P.H., Copper (Zymoetz) River Bridge Approaches," will be received by the Minister of Highways, in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Tuesday, the 10th day of July, 1962, and opened in public at that time and date.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 635 Burrard Street, Vancouver 1, B.C., or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. This cheque or bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
